

# Kleinbasler family holidays 2026

26 september to 3 Oktober 2026 in Canton of Bern  
a project of the Kleinbasel parents association «Let's go!»

engl.

Are you ready to step out of your comfort zone and spend a week in the mountains with other families from Kleinbasel? If you're looking to put integration into practice while enjoying the great outdoors, the «Let's go!» parents' association has the perfect opportunity. Join our family holiday camp this autumn 2026 for a challenge that brings our community closer together. The main idea is to facilitate group holidays for families and individuals of different nationalities, languages, and cultures, who are living in Kleinbasel. With trips and games, we make and deepen contacts. People who speak little or no German are entirely welcome.

For the camp we have rented a simply furnished house with 50 places above **Adelboden (BE)**. It is 1350 meters above sea level and can be reached by train, bus and foot (45 minutes) (<https://www.achseten.ch/unterkuenfte/machgraben>).

The house has 4 common rooms, a kitchen, 3 washrooms, 8 showers, 7 toilets and 15 bedrooms with 1, 2, 3 and 5 beds. Maybe two families will share a room. We sleep in sleeping bags, wool blankets are provided. We cook ourselves (without pork, halal if necessary, vegetarian) and according to recipes from the countries the camp participants come from. There is plenty of space around the house to play.

**Registration:** The camp lasts one week - from Saturday, September 26th, to Saturday, October 3th, 2026. It can only be booked for the entire eight days. Your registration should reach us by May 31st, 2026 with a deposit of CHF 50.- .

<b>Cost, incl. house, train journey, meals and material:</b>		<p><b>Is the camp too expensive for you?</b> Please let us know if you would like to participate but cannot afford it (tel. 061-692 84 46). We will gladly help to find a solution. At the last camp, 7 families received significant support from the Basel Pestalozzi Society. We are currently looking for sponsors again.</p> <p>By th way we allways strive to keep the flexible camp costs as low as possible. And the camp team works for free and also pays an equal share in bearing costs. So we were able to partially refund all participants after the last camp.</p>
